

## **PROJECT ORLANDO**

Every Saturday is the great NYI workday at Orlando! Get your youth to join in...

### **"Project Orlando: One Heart Many Hands"**

We urge you to become part of this exciting endeavor, lead by Mrs. Grizelda Smith, under the auspices of the District NMI council. We will be tackling the Nazarene Centre, right opposite the FIFA 2010 Soccer Stadium in Orlando, JHB.

As thousands of tourists -- some even Nazarenes from abroad -- will be passing by, we wish to upgrade and beautify the center, as best as we can.

You can also join our NMI GAUTENG Facebook Group, and be updated immediately, as things progress! Just go to [www.facebook.com](http://www.facebook.com), and search for NMI Gauteng

For any queries, contact Grizelda on 082 466 167

We have less than 6 weeks left to complete the project. We need cash donations of R15 000!

Out of scope for this project is the perimeter walls, which needs urgent attention, we reckon the piece to be replaced to be about 1000sqm, so any donation towards this will be greatly appreciated. If you give the funds, we will provide the labour!

Please contact Grizelda for any queries -- AND DONATIONS!

Thank you SO MUCH to those that have already participated.  
But we need many more hands. Our youngest participant is 3 years old, I believe the oldest is in her 60's. And where is our young people!?  
The NYI from Noordgesig and Toekomsrus are regular participants, it will do them good to see other young people

**Come on people, it is 5 to 6 hours of your day every Saturday, surely we can? If you're there early – 7.30am, you will be greeted with a nice cup of coffee and a muffin -- 7.30 to 8.00 only.**

Hope to see you on Saturday! Remember, bring along your own equipment, and drinking water.
